

**Halwin art skills progression**

**document 2021**

**A Year 1 Artist will:**

- Explore a range of drawing tools to make marks.
- Begin to control the types of marks made with a range of media

- Try out a range of materials and processes and recognise that they have different qualities.
- Use materials purposefully to achieve particular characteristics.

**A Year 3 Artist will:**

- Experiment with various pencils
- Use a sketchbook to document and develop ideas
- Draw from observation and imagination
- Experiment with mark making using alternative tools
- Create initial sketches for painting
- Begin to draw with accuracy
- Discuss shadows, light and dark
- Have an awareness of how pattern can be used to create texture

Begin to use crosshatching to show shaded areas

Working from a photograph to draw with detail and accuracy, using pencil

**Woolly Mammoth sketchbook drawing activity**

Using tracing paper to develop hand-eye coordination and accuracy.

Hatching and Cross Hatching Examples

Tonal drawing study of Stonehenge

**A Year 3 Artist will:**  
 Experiment with various pencils.  
 Use a sketchbook to document and develop ideas.  
 Begin to draw with accuracy.  
 Discuss shadows, light and dark.  
 Have an awareness of how pattern can be used to create texture.

NC: To improve their mastery of art and design techniques, including drawing

**A Year 4 Artist will:**

- Consider scale and proportion
- Create accurate observational drawings

**A Year 4 Artist will:**

- Work on a variety of scales
- Identify and draw the effect of light
- Draw for a sustained period of time

**A Year 4 Artist will:**

- Consider scale and proportion
- Create accurate observational drawings
- Work on a variety of scales
- Identify and draw the effect of light
- Draw for a sustained period of time

**NC:** To improve their mastery of art and design techniques, including drawing

Large scale, expressive drawing  
inspired by Peter Randall-Page

- Develop their own style
- Draw for a sustained period of time
- Use tone in drawing to achieve depth

Year 6

## Drawing

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<ol style="list-style-type: none"> <li>1. Begin to use and control a variety of media.</li> <li>2. Start to produce lines of different thickness using a pencil.</li> <li>3. Develop an awareness of composition, scale and proportion.</li> <li>6. Explain why they have combined different tools to create their drawings.</li> </ol>

**A Year 1 artist will:**  
Begin to explore and experiment with primary colours.  
Describe collections of colours.

- \* Describe favourite colours and why colours may be used for different purposes.
- \* Explore a range of paint, brush sizes and tools
- \* Mix colours to create new colours

**A Year 1 artist will:**

- Begin to explore and experiment with primary colours.
- Describe collections of colours.
- Discuss and use warm and cold colours

- Describe favourite colours and why colours may be used for different purposes.
- Explore a range of paint, brush sizes and tools
- Mix colours to create new colours

**A Year 2 artist will:**  
 Begin to describe a range of colours  
 Mix a range of secondary and tertiary colours

Talk about why they have selected colours for their artwork.  
 Begin to use a range of paint. (Powder Paint)

Year 3

Through Making  
Children will use growing knowledge of how materials and medium act, to help develop ideas  
Children will use acquired technical expertise combined with beginning to listen and trust instinct to help make choices, to make work which effectively reflects ideas and intentions.

### Year 5 rainforest painting

Mix colours, shades, tones and tints with confidence building on previous knowledge.  
Confidently control the types of marks made and experiment with different effects and textures.

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<p>1. Enjoy using a variety of tools including different size brushes and tools.</p> <p>2. Explore what happens when they mix colours.</p> <p>3. Use particular colours for a purpose.</p>	<p>1. Explore with a variety of media; different brush sizes and tools.</p> <p>2. Choose to use thick and thin brushes as appropriate.</p> <p>3. Begin to control the types of marks made with the range of media.</p> <p>4. Start to mix a range of secondary colours, moving towards predicting resulting colours.</p> <p>5. Name the primary and secondary colours.</p> <p>6. Explore lightening and darkening paint without the use of black or white.</p>	<p>1. Continue to control the types of marks made with a range of painting techniques: layering, mixing and adding texture.</p> <p>2. Mix paint to create all the secondary colours and predict the outcomes.</p> <p>3. Continue to experiment in lightening and darkening without the use of black or white.</p> <p>4. Begin to mix colour tints and shades.</p> <p>5. Store information on colour mixing, the colour wheel and colour spectrums.</p>	<p>1. Demonstrate increasing control with the types of marks made.</p> <p>2. Experiment with different effects and textures: blocking in colour, washes, thickened paint and textural effects.</p> <p>3. Use a range of brushes to create different effects.</p> <p>4. Use light and dark within painting and begin to explore complimentary colours.</p> <p>4. Mix colour, tints and shades with increasing confidence.</p> <p>5. Know where each of the primary and secondary colours sits on the colour wheel.</p>	<p>1. Confidently control types of marks made.</p> <p>2. Experiment with different effects and textures, including those learnt previously.</p> <p>3. Begin to choose appropriate media to work with.</p> <p>4. Use light and dark within painting and show understanding of complimentary colours.</p> <p>5. Create all the colours they need through mixing.</p> <p>6. Mix colour, tints and shades with increasing confidence.</p> <p>7. Start to look at working in the style of a selected artist.</p>	<p>1. Confidently control the types of marks made.</p> <p>2. Experiment with different effects and textures.</p> <p>3. Be able to identify primary secondary, complementary and contrasting colours.</p> <p>4. Mix and match colours to create atmosphere and light effects.</p> <p>5. Mix colour, tints and shades with confidence.</p> <p>6. Start to develop a painting from a drawing.</p> <p>7. Recognise the art of key artists and begin to place them in key movements or historical events.</p>	<p>1. Purposely control the types of marks made.</p> <p>2. Experiment with different effects and textures.</p> <p>3. Mix colour, tints and shades with confidence, building on previous knowledge.</p> <p>4. Work in a sustained and independent way to develop their own style of painting.</p> <p>5. Choose appropriate paint, paper and implements to adapt and extend their work.</p> <p>6. Explain why they have chosen specific painting techniques.</p>

## Printing

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
-----------	--------	--------	--------	--------	--------	--------

<p>1. Enjoy taking leaf rubbings e.g. leaf, brick and coin.</p> <p>2. Create simple pictures by printing from objects.</p> <p>3. Develop simple patterns by using objects.</p>	<p>1. Explore printing simple pictures with a range of hard and soft materials e.g. cork, sponge.</p> <p>2. Design their own printing block.</p> <p>3. Explore printing in relief. Use string and card.</p> <p>4. Explore impressed printing. Drawing into ink, printing from objects.</p> <p>4. Create a simple repeating pattern and recognise pattern in the environment.</p> <p>5. Use equipment and media correctly and start to produce a clean printed image.</p>	<p>1. Continue to explore printing simple pictures with a range of hard and soft materials e.g. cork, sponge, pen barrels.</p> <p>2. Explore mono printing. Make simple marks on rollers and printing palettes. Take simple prints.</p> <p>3. Demonstrate experience at impressed printing. Drawing into ink, printing from objects.</p> <p>4. Design patterns of increasing complexity and repetition.</p> <p>5. Use equipment and media correctly and be able to produce a clean printed image.</p> <p>6. Experiment with overprinting motifs and colour.</p>	<p>1. Continue to explore relief printing and mono printing.</p> <p>2. Print simple pictures using different printing techniques.</p> <p>3. Begin to demonstrate experience in three colour printing.</p> <p>4. Experiment with overprinting motifs using two colours.</p> <p>5. Start to combine prints taken from different objects to produce an end piece.</p> <p>6. Explore the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and making links to their own work.</p>	<p>1. Increase awareness of relief printing and mono printing.</p> <p>2. Expand experience in three colour printing.</p> <p>3. Continue experimenting with overprinting motifs using three colours.</p> <p>4. Print onto different materials including fabric.</p> <p>5. Continue to experience combining prints taken from different objects to produce an end piece.</p> <p>6. Create an accurate print design.</p>	<p>1. Show experience in a range of mono print techniques.</p> <p>2. Continue to gain experience in overprinting colours.</p> <p>3. Start to overlay prints with other media.</p> <p>4. Print onto a range of different materials.</p> <p>5. Use a variety of tools in a safe way.</p> <p>6. Create an accurate print design that meets a given criteria.</p> <p>7. Collect and record visual information from different sources as well as planning and trying out ideas.</p>	<p>1. Demonstrate experience in a range of printmaking techniques.</p> <p>2. Describe the techniques and processes they use.</p> <p>3. Overprint using different colours.</p> <p>4. Be confident in printing onto a range of different materials.</p> <p>5. Collect and record visual information from different sources as well as planning and collecting source material.</p> <p>6. Adapt their work according to their views and describe how they might develop it further.</p>

Collage						
Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<p>1. Chooses particular colours for a purpose.</p> <p>2. Experiment to create different textures.</p> <p>3. Manipulate materials to achieve a planned effect.</p> <p>4. Use simple tools and techniques and adapt work where necessary.</p>	<p>1. Create images from a variety of media e.g. tissue paper, crepe paper etc.</p> <p>2. Collect and sort colours appropriate for an image.</p> <p>3. Arrange and glue materials to different backgrounds.</p> <p>4. Fold, crumple, tear and overlap papers.</p>	<p>1. Create images from a variety of media e.g. fabric, magazines, newspaper etc.</p> <p>2. Use different kinds of materials on their collage and explain why they have chosen them.</p> <p>3. Sort and group different materials for different purposes e.g. colour, texture.</p> <p>4. Use repeated patterns in their collage.</p>	<p>1. Experiment with a range of collage techniques such as tearing, overlapping and layering to create texture.</p> <p>2. Cut materials and shapes with developing accuracy.</p> <p>3. Experiment using different colours.</p> <p>4. Begin creating and experimenting with mosaic.</p>	<p>1. Select and arrange materials to create a striking effect.</p> <p>2. Use coiling and tessellation as new techniques.</p> <p>3. Develop learnt mosaic skills and techniques through experimenting with ceramic mosaics.</p> <p>4. Combine visual and tactile qualities.</p>	<p>1. Continue to use a range of media to create collages.</p> <p>2. Use learnt techniques to add collage to a painted, printed or drawn background.</p> <p>3. Use and mix a variety of textures (rough, smooth, plain, and patterned).</p> <p>4. Use ceramic mosaic to produce a piece of art.</p>	<p>1. Use a range of materials and justify why they have chosen them.</p> <p>2. Combine pattern, tone and shape to create a finished piece.</p> <p>3. Use different techniques, colours and textures when designing and planning work.</p> <p>4. Use collage as a means of extending work from initial ideas.</p>

	5. Create and arrange shapes appropriately by cutting or tearing.				5. Combine visual and tactile qualities to express mood and emotion.
