

Geography Overview - Cycle A Year 24/25

Our thinking threads: 'here, there, then, now, next'

Autumn Term	Spring Term	Summer Term
Robins (YR/1)		
What is the weather like in the UK? 	What is it like here?  	What can you see at the coast? 
Owls (Y2/3/4)		
Why do people live near volcanoes? 	Why are rainforests important to us? 	Where does our food come from?  
Kingfishers (Y5/6)		
Where does our energy come from?  	Would you like to live in the desert? 	Why does population change?
