

Mrs Ellis

I have been a teacher for 17 years and have taught from Nursery to Yr6!

'In a world where you can be anything be KIND'

This is me!

I enjoy teaching all subjects but my top three would be...

English
History
Art

Adventures with my friends usually includes discovering new beaches and places to eat cake!

My house is busy: four children, Ebby the excitable dog and a rescue cat called Princess..

Favourite Books

I love reading and couldn't choose just one!

I have set myself the challenge of reading 52 books this year... so far I am on track.

Swimming in the sea is one of my favourite things to do after a busy day.
