Computing Overview - Cycle A Year 25/26 (Digital Learning Cornwall)

Our thinking threads: 'here, there, then, now, next'

Autumn Term		Spring Term		Summer Term	
Robins (EYFS)					
Awesome Autumn (Barefoot Computing)	Busy Bodies (Barefoot Computing)	Super Space (Barefoot Computing)	Springtime (Barefoot Computing)	Summer Fun (Barefoot Computing)	People Who Help Us (Barefoot Computing)
Robins (Y1/2)					
Online safety & foundational skills incl. programming a robot	Computer Systems – IT around us	Digital Media – Photography	Digital Media – digital writing	Data + Information – grouping data	Programming – scratch jr
Kingfishers (Y3/4/5/6)					
Online Safety Typing Club	Digital Media - Animation	Data + Information – Flat file database	Programming – Repetition in games	Computer Systems – connecting computers	Digital Media – Video Editing

*Online safety is embedded throughout every computing lesson. Pupils regularly revisit the school's Online Safety Rules and apply them in context, through discussion of practical Online Safety scenarios. Online safety is also addressed across the wider curriculum, including PSHE lessons, assemblies, and whenever it is deemed necessary — for example, in response to specific events or situations.
