

Geography & History Overview - Cycle A Year 25/26 (Oak Academy)

Our thinking threads: 'here, there, then, now, next'

Autumn Term		Spring Term		Summer Term	
Robins (YR/1/2)					
* In EYFS, children meet the <i>Development Matters</i> statements through continuous and enhanced provision. They also join Year 1/2 geography and history lessons where appropriate, supporting progression in knowledge and curiosity about people, places and the past.					
Photographs from History: what can they tell us about Britain's recent past? 	Our school and local area: how do we read maps and plan routes? 	Significant Explorers: how has seafaring changed over time?  	Weather, Continents and Oceans: what can we find out about the world and changing seasons?  	Queen Victoria: how did Britain change during her lifetime? 	Hot and Cold places: where are they and what are they like? 
Kingfishers (Y3/4/5/6)					
The Great War: how did the Great War affect people and communities? 	Europe: how diverse are its landscapes & places?  	Significant turning points: how did Britain change after WW2? 	Rivers & The Water Cycle: how does water shape our world?  	Local Study: What was life like in a mining community? 	Energy & Natural Resources: how do we power the world?
