

Science Overview - Cycle A Year 25/26 (Plymouth Science)

Our thinking threads: 'here, there, then, now, next'

Autumn Term	Spring Term	Summer Term
Robins (YR/1/2) *In EYFS, children meet the Development Matters statements through carefully planned continuous and enhanced provision, and—where they show readiness, interest, or ability—by engaging with linked Year 1/2 science units, ensuring progression and meaningful connections in their learning		
Changing Materials 	How does your garden grow? 	Animal Safari 
Kingfishers (Y3/4)		
From Amazon to Antarctica 	How Stuff works 	Amazing Human Body 
Kingfishers (Y5/6)		
Following Darwin's footsteps 	Bight Sparks 	Healthy Body Healthy Mind
