

# MEET MR RICHES

## ABOUT ME

My name is Daryl Riches and I am thoroughly looking forward to joining Halwin in the near future.

I live with my wife, two children (Patrick & Lillian) and my red-fox labrador (Oliver).

I have been lucky enough to teach and lead in a number of settings both in Cornwall and in other parts of the country. Prior to Halwin, I have recently been Head of School at Pennoweth Primary in Redruth.

## HOBBIES

- I love to read and discovering new authors. Something that I share with the children in my setting regularly.
- I have a passion for sports and have played rugby since I was able to walk!
- I love to spend time at weekends walking Oliver on the beaches and exploring the countryside.

## CONTACT INFORMATION

You can contact me via the School Office or through Arbor. Please feel free to message me should you wish to share anything.

Please catch me on the door if you have any further questions or queries once I start!

## MORE ABOUT ME

- Playing board games is something I love to do to help me relax - especially when it is wet and raining outside!
- Lego and Harry Potter are also a favourite to help pass the time!
- I love to think differently and to innovate where possible. People, places and children all need individual approaches.
- I hope that during my time at Halwin, I can continue to build on the brilliant work that has come before and nurture links in the community to further broaden and enrich our childrens horizons.
